

Entegris to Participate in the Barclays Electronic Chemicals Conference

May 1, 2018

BILLERICA, Mass.--(BUSINESS WIRE)--May 1, 2018-- [Entegris](#), Inc. (NasdaqGS: ENTG), a leader in specialty chemicals, filtration and advanced materials solutions for the microelectronics industry, announced it will participate in the Barclays Electronic Chemicals Conference on May 14, 2018 in New York.

The conference is the first of its kind organized by Barclays focused specifically on the electronic chemicals and materials market. The event will feature company presentations by Entegris and several other publicly held electronic materials companies, as well as market tutorials by industry analysts.

For more information about this event, please contact Steve Cantor at Entegris, steven.cantor@entegris.com, or Travis Sewgobind at Barclays, travis.sewgobind@barclays.com.
