

## **Entegris, Mykrolis Complete Merger; Combined Company Now The Global Leader In Materials Integrity Management**

MINNEAPOLIS--(BUSINESS WIRE)--Aug. 7, 2005--Entegris, Inc.(NASDAQ:ENTG) and Mykrolis Corporation announced today that the companies closed their merger early Saturday morning (effective 12:02 am EDT, August 6, 2005). Company officials say that the union of these two technology companies creates the world's largest materials integrity management company. The companies agreed to the merger on March 21, 2005, and shareholders of both companies approved it overwhelmingly on August 3, 2005.

### **ABOUT THE NEW ENTEGRIS**

Entegris is the global leader in materials integrity management - purifying, protecting and transporting critical materials used in high technology products, processes and services. Entegris provides products and services used in semiconductor and other high-technology industries. Entegris is ISO 9001 certified and has manufacturing, service or research facilities in the United States, China, France, Germany, Japan, Malaysia, Singapore, South Korea and Taiwan. Additional information can be found at [www.entegris.com](http://www.entegris.com).
