"We are excited to welcome David to the board," said Bertrand Loy, chair of the board, president and chief executive officer of Entegris. "David is an executive with an extensive background with leading global semiconductor and technology companies, such as GlobalFoundries, Broadcom, and Texas Instruments. He will bring to the board his experience in leadership, risk management, finance, operations, and strategy, which we hope to leverage as we continue to grow our business and deliver value for our stakeholders."

About Mr. Reeder

Prior to joining Chewy in February 2024, David served as chief financial officer of GlobalFoundries, Inc., a leading semiconductor manufacturer, since 2020, where he led their financial strategy, including their 2021 initial public offering. David previously served as chief executive officer of Tower Hill Insurance Group, as well as president and chief executive officer of Lexmark International Inc. Earlier in his career, David was chief financial officer at Electronics for Imaging, Inc., and he also held executive roles at Cisco Systems, Inc., Broadcom Inc., and Texas Instruments Inc.
