

Entegris Reports Sales of \$148 Million and EPS of \$0.04 for Second Quarter of Fiscal 2008

The Company to Restate First-Quarter Gross Margin and EPS Upward

CHASKA, Minn., Jul 29, 2008 (PrimeNewswire via COMTEX News Network) -- Entegris, Inc. (Nasdaq:ENTG) today reported its financial results for the fiscal second quarter ended June 28, 2008. Second-quarter sales were \$147.9 million, versus \$153.5 million for the same period a year ago and \$148.2 million for the first quarter of fiscal 2008.

Second-quarter net income was \$4.9 million, or \$0.04 per diluted share, which included amortization expense of \$4.6 million, or \$0.04 per diluted share. These results compared to net income of \$14.8 million, or \$0.11 per diluted share, for the second quarter a year ago and to restated net income of \$2.9 million, or \$0.02 per diluted share reported for the first quarter of 2008.

Sales for the six months ended June 28, 2008 were \$296.2 million. First-half net income was \$7.8 million, or \$0.07 per diluted share, on a restated basis. Amortization expense for the first half of 2008 was \$9.6 million, or \$0.08 per diluted share.

Gideon Argov, president and chief executive officer, said: "Despite a challenging industry environment, we held second-quarter sales even with the first quarter while achieving improvements in our operating results and generating \$31 million of cash from operations. Second-quarter sales to semiconductor-related customers reflected higher sales to chip makers which offset lower OEM spending on capital-driven products such as photochemical pumps and fluid handling components."

Argov continued: "Looking forward, we remain focused on reducing our costs, achieving traction with our new products, and furthering our materials science strategy to build a diversified materials-based business as demonstrated by our recent agreement to acquire Poco Graphite."

Outlook

For its fiscal third quarter ending September 27, 2008, the Company currently expects sales to be \$140 million to \$146 million. Net income per diluted share is expected to range from \$0.03 to \$0.05. The Company expects third-quarter amortization expense to be \$4.3 million, or \$0.04 per diluted share.

First Quarter Restatement

Entegris announced that it will file a Form 10-Q/A with the Securities and Exchange Commission to restate its financial results for the first quarter of fiscal year 2008, which ended March 29, 2008. The restatement, which does not affect revenue or cash flows, is expected to result in an upward correction to gross margin of approximately \$2.5 million and an upward correction to net income of \$1.7 million. The Company expects to file its restated financial statements concurrent with its filing of the Form 10-Q for the second quarter of fiscal 2008 on or about August 7, 2008.
