Each time we or the selling shareholders sell shares of our common stock using this prospectus, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus. You should read this prospectus and the applicable prospectus supplement together with the additional information described under the heading “Where You Can Find More Information.”

You should rely only on the information contained or incorporated by reference in this prospectus. We have not authorized any other person to provide you with different information. We are not making an offer to sell these securities in any jurisdiction where the offer or sale is not permitted. You should assume that the information appearing in this prospectus is accurate only as of the date on the front cover of this prospectus, even if this prospectus is delivered to you after that date or you buy shares of our common stock after that date. Our business, financial condition, results of operations and prospects may have changed since that date. Information contained on our website does not constitute part of this prospectus. In this prospectus, references to “Entegris,” “we,” “us” and “our” refer to Entegris, Inc., together with our consolidated subsidiaries.

The registration statement that contains this prospectus (including the exhibits filed with and incorporated by reference to the registration statement) contains additional information about us and the shares of our common stock offered under this prospectus. That registration statement can be read at the SEC web site or at the SEC offices mentioned under the heading “Where You Can Find More Information.”

## SELLING SHAREHOLDERS

WCB Holdings LLC, the Entegris, Inc. Employee Stock Ownership Plan and certain of our directors and officers listed in the following table may from time to time offer and sell up to 4,500,000, 3,000,000 and 2,000,000 shares of common stock, respectively, pursuant to this prospectus and the applicable prospectus supplement. The following table sets forth certain information regarding the beneficial ownership of common stock as of July 10, 2003 by WCB Holdings LLC, the Entegris, Inc. Employee Stock Ownership Plan and certain of our directors and officers as well as the number of shares they may sell pursuant to this prospectus and the applicable prospectus supplement. The selling shareholders listed in the following table include those shareholders and their transferees, pledgees, donees or successors. The percentage of outstanding shares beneficially owned before the offering is based on 72,190,231 shares of common stock outstanding as of July 10, 2003. The number and percentage of shares beneficially owned after the offering assumes the sale of 15,500,000 newly issued shares to be sold by us and 9,500,000 shares to be sold by the selling shareholders. Our registration of the 9,500,000 shares of common stock held by selling shareholders does not necessarily mean that selling shareholders will sell all or any of such shares of common stock because there currently are no agreements, arrangements or understandings with respect to the sale or distribution of any of our common stock by the selling shareholders.

## DESCRIPTION OF COMMON STOCK

A description of our common stock is included in our Amendment No. 6 to Form S-1 filed July 10, 2000, including any amendment or report filed for the purpose of updating such description, which is incorporated by reference. You may request a copy of this registration statement in the manner described under the heading “Where You Can Find More Information.”

## PLAN OF DISTRIBUTION

We or the selling shareholders may sell or distribute some or all of our respective shares of common stock from time to time in one or more transactions:

- directly to purchasers in transactions (which may involve crosses and block transactions) on the Nasdaq National Market, in privately negotiated transactions or in the over-the-counter market;
- through dealers, brokers or other agents;
- through underwriters; or
- through a combination of any of the above.

Such transactions may be effected:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to such prevailing market prices; or
- at negotiated prices.

Brokers, dealers or other agents participating in such transactions as agents may receive compensation in the form of discounts, concessions or commissions from us or the selling shareholders (and, if they act as agent for the purchaser of the shares, from the purchaser). Such discounts, concessions or commissions as to a particular broker, dealer or other agent might be in excess of those customary in the type of transaction involved.

The selling shareholders and any such brokers, dealers or other agents that participate in such distribution may be deemed to be “underwriters” within the meaning of the Securities Act of 1933, as amended, and any discounts, commissions or concessions received by any such brokers, dealers or other agents might be deemed to be underwriting discounts and commissions under the Securities Act.

We will provide a supplement to this prospectus to disclose the specific shares to be sold, the public offering price of the shares to be sold, the names of any underwriters, brokers, dealers or other agents employed by us or the selling shareholders in connection with such sale, and any underwriting commissions or discounts paid by us or the selling shareholders.

Any person engaged in a distribution of the shares of common stock offered by this prospectus, including the selling shareholders, may not simultaneously engage in market activities with respect to our common stock for the applicable period under Regulation M under the Securities Exchange Act of 1934, as amended. Regulation M and other provisions under the Exchange Act may limit the timing of purchases and sales of any of the shares by the selling shareholders. These provisions may affect the marketability of the shares offered by this prospectus.

## [Table of Contents](#)

Any underwriter may engage in over-allotment, stabilizing and syndicate short covering transactions and penalty bids in accordance with Regulation M. Over-allotment involves sales in excess of the offering size, which creates a short position. Stabilizing transactions involve bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Syndicate short covering transactions involve purchases of securities in the open market after the distribution has been completed in order to cover syndicate short positions. Penalty bids permit the underwriters to reclaim selling concessions from dealers when the securities originally sold by such dealers are purchased in covering transactions to cover syndicate short positions. These transactions may cause the price of the offered common stock to be higher than it would otherwise be. These transactions, if commenced, may be discontinued by the underwriters at any time.

Underwriters, dealers and agents may be entitled, under agreements entered into with us or the selling shareholders, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act of 1933, as amended, and to reimbursement by us or the selling shareholders for expenses.

Certain of any such underwriters, dealers or agents and their associates may engage in transactions with and perform services for us in the ordinary course of business.

In connection with the offer and sale of the shares of common stock by us and the selling shareholders, various state securities laws and regulations require that any such offer and sale should be made only through the use of a broker-dealer registered as such in any state where we or the selling shareholders engage such broker-dealer and in any state where such broker dealer intends to offer and sell shares.

The selling shareholders also may resell all or a portion of the shares of our common stock in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, as amended, provided they meet the criteria and conform to the requirements of such rule.

Any common stock sold pursuant to this prospectus will be listed on the Nasdaq National Market, subject to official notice of issuance in the case of common stock sold by us.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change to such information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
